Water and Wastewater Systems Sector

14. *February 11, U.S. Environmental Protection Agency* – (Pennsylvania) **Feds, state, settle Clean Water violations with Harrisburg and Capital Region Water.** The U.S. Environmental Protection Agency entered into a partial agreement February 11 with the Pennsylvania Department of Environmental Protection and the City of Harrisburg and Capital Region Water to resolve alleged violations of the Clean Water Act that involve sewer overflows and polluted storm water discharges into the Susquehanna River and Paxton Creek. Capital Region Water agreed to make construction upgrades at its wastewater treatment plant in Harrisburg and improve the maintenance and operation of the city's wastewater and stormwater collection systems. Source: <http://yosemite.epa.gov/opa/admpress.nsf/0/219D47E46D281DA885257DE9006BD195>
15. *February 11, Fayetteville Observer* – (North Carolina) **Grease blockage caused 2,800 gallon wastewater spill in Fayetteville Creek.** About 2,800 gallons of untreated wastewater spilled into a tributary of Big Cross Creek in Fayetteville February 10 due to a grease blockage. The North Carolina Division of Water Quality was notified while crews from the Fayetteville Public Works Commission responded to clear the blockage and clean the area. Source: http://www.fayobserver.com/news/local/grease-blockage-caused--gallon-wastewater-spill-in-fayetteville-creek/article_ab710ea5-bfe4-53a2-9cad-db2a1fc07ebd.html

[\[Return to top\]](#)

Healthcare and Public Health Sector

16. *February 11, San Bernardino Sun* – (California) **State fines Loma Linda University Medical Center \$50,000 after resident's mistake.** The California Department of Public Health announced February 11 that a \$50,000 fine was issued to the Loma Linda University Medical Center after an intern placed a feeding tube in a patient's lung instead of the stomach in 2010, causing the patient's death. Public health officials fined two other Riverside County hospitals and a hospital in Los Angeles County after investigating and finding that the facilities' were not in compliance with licensing requirements.

Source: <http://www.sbsun.com/health/20150211/state-fines-loma-linda-university-medical-center-50000-after-residents-mistake>

17. *February 11, WXIN 59 Indianapolis* – (Indiana) **Nurse at Muncie pain clinic arrested on reckless prescribing charges.** A former nurse employed at a clinic in Muncie was arrested and charged February 11 in connection to reckless prescribing. The Muncie pain doctor who ran the clinic was previously charged after the clinic was linked to 10 drug overdose deaths and raided in 2014.

Source: <http://fox59.com/2015/02/11/nurse-at-muncie-pain-clinic-arrested-on-reckless-prescribing-charges/>

18. *February 11, KPIX 5 San Francisco; San Francisco Bay City News Service* – (California) **UCSF slapped with \$100K penalty for giving patient a chicken pox vaccine that left him blind in one eye.** The California Department of Public Health announced February 11 that a \$100,000 penalty was issued to the University of California at San Francisco Medical Center after a patient was given a chicken pox vaccine in March 2012 while suffering from conditions that placed the individual at risk for taking the agent, causing them to go blind in one eye. The medical center is also required to write out safety policies and procedures for dispensing medicine.

Source: <http://sanfrancisco.cbslocal.com/2015/02/11/ucsf-slapped-with-100k-penalty-for-giving-patient-a-chicken-pox-vaccine-that-left-him-blind-in-one-eye/>

Government Facilities Sector

19. *February 12, Associated Press* – (Michigan) **Fake Secret Service agent faces prison.** A Flint-area man pleaded guilty February 10 to impersonating a U.S. Secret Service agent after he stopped two cars and pretended to be an agent while using a business card left by an agent at a shop where he was employed.

Source: <http://wlns.com/2015/02/12/fake-secret-service-agent-faces-prison/>

20. *February 11, WBZ 4 Boston* – (Massachusetts) **Somerville schools to remain closed due to threat of roof collapse.** Somerville district schools in Massachusetts will remain closed for the remainder of the week of February 9 after the city's mayor announced February 11 that the potential for roof collapse was too great to send kids to school.

Source: <http://boston.cbslocal.com/2015/02/11/somerville-schools-to-remain-closed-due-to-threat-of-roof-collapse/>

21. *February 11, WFMZ 69 Allentown* – (Pennsylvania) **East Stroudsburg student sickened.** East Stroudsburg University officials temporarily shut down self-serve stations in the school's cafeteria after more than 40 students became ill with a stomach virus February 10-11. Authorities also reminded the Pennsylvania students to use hand sanitizer.

Source: <http://www.wfmz.com/news/Regional-Poconos-Coal/east-stroudsburg-student-sickened/31223680>

[\[Return to top\]](#)

Emergency Services Sector

22. *February 11, WAFF 48 Huntsville* – (Alabama) **Former EMT arrested for HEMSI station fire.** A former Huntsville Emergency Medical Services, Inc., (HEMSI) employee was arrested February 10 in connection to starting a fire February 7 that destroyed the HEMSI station in Huntsville. The former employee was fired in February 2014 and is also connected to other ambulance burglaries in the area and surrounding counties.

Source: <http://www.wsfa.com/story/28082400/former-hemsi-employee-arrested-for-hemsi-station-fire>

23. *February 11, KGO 7 San Francisco* – (California) **Former San Francisco police officer accused of corporate espionage.** A former San Francisco police officer and three others were arrested and charged in connection to hiring hackers to break into the computer system of Ocean Avenue, a rival internet marketing company, in order to access the company's email and Skype accounts beginning in 2013. A fifth suspect in India was also charged in the case.

Source: <http://abc7news.com/news/former-sfpd-officer-accused-of-corporate-espionage/514023/>

24. *February 11, Chicago Sun-Times* – (Illinois) **Stomach virus outbreak prompts quarantine at Cook County Jail.** Officials at Cook County Jail in Illinois placed four divisions in quarantine until further notice after 36 inmates came down with a stomach virus. The detainees in the affected units were placed under limited movement and several areas of the jail were disinfected and cleaned.

Source: <http://chicago.suntimes.com/news/7/71/362228/stomach-virus-outbreak-prompts-quarantine-cook-county-jail>

25. *February 11, KOMO 4 Seattle* – (Washington) **Clallam County working to avoid measles outbreak in jail.** The Clallam County Department of Health is offering to vaccinate every inmate in the county jail after the county confirmed Washington's fourth case of measles the week of February 2 when an infected man was hospitalized. An initial screening determined that 63 percent of the jail population was at risk of contracting the virus.

[\[Return to top\]](#)

Information Technology Sector

26. *February 12, Securityweek* – (International) **Google Play, browser flaws expose Android devices to remote code execution.** Researchers at Rapid7 reported that vulnerabilities in Google Play due to a lack of appropriate X-Frame-Options (XFO) headers combined with a universal cross-site scripting (UXSS) vulnerability in browsers shipped with Android versions prior to 4.4 (KitKat), or a cross-site scripting (XSS) bug in Google Play, could be leveraged by attackers to remotely install arbitrary Android application packages (APKs) on smartphones. Attacks can be prevented by logging out of the Google account prior to using the affected browsers, or by using Mozilla FireFox or Chrome instead.
Source: <http://www.securityweek.com/google-play-browser-flaws-expose-android-devices-remote-code-execution>
27. *February 11, Softpedia* – (International) **Simplocker ransomware for Android returns with new version.** Avast researchers reported that over 5,000 unique users were infected by a newly discovered Simplocker ransomware variant for Android that poses as an Adobe Flash Player update, employs unique encryption keys to make unlocking difficult, and displays a fake notification from the FBI about suspicious files and copyright infringement to fool victims into paying the \$200 ransom.

[\[Return to top\]](#)

Commercial Facilities Sector

29. *February 12, Kingston Daily Freeman* – (New York) **Kings Mall in Ulster reopens after gas leak resolved.** About 200 people were evacuated from the Kings Mall in the Town of Ulster February 11 after ice fell from a roof at the mall and onto a gas truck manifold causing a natural gas leak that affected 2 commercial customers. Utility crews repaired the leak and the mall reopened about 2 hours later.
Source: <http://www.dailyfreeman.com/general-news/20150211/kings-mall-in-ulster-reopens-after-gas-leak-resolved>
30. *February 12, Associated Press* – (Missouri) **Church van accident in southeast Missouri kills 1, injures 9.** One person died and 9 others were injured February 11 when a Kinfolk Ridge Baptist Church van was struck by another vehicle and caught fire in Pemiscot County.
Source: <http://www.greenfieldreporter.com/view/story/ff7182ee29c34cd0a56efafeb8af3c81/MO--Church-Van-Accident>
31. *February 12, Long Island Newsday* – (New York) **Officials: 2 Deer Park stores damaged in fire.** A fire at a strip mall in Deer Park damaged at least two businesses February 11. Officials are investigating the cause of the fire that is believed to have started in a restaurant.
Source: <http://www.newsday.com/long-island/suffolk/officials-2-deer-park-stores-damaged-in-fire-1.9930366>
32. *February 12, WXIA 11 Atlanta* – (Georgia) **21 people displaced by Atlanta apartment fire.** A fire that broke out February 12 at the Lakewood Forest Apartments complex in Atlanta displaced 21 residents and damaged 6-8 units. No injuries were reported and the cause of the blaze remains under investigation.
Source: <http://www.11alive.com/story/news/local/2015/02/12/old-hapeville-road-apartment-fire/23280849/>
33. *February 11, Worcester Telegram & Gazette* – (Massachusetts) **Cranes get snow off Auburn Mall roof.** Crews used two cranes to remove tons of snow from the roof of the Auburn Mall in Massachusetts as a preventative measure to reduce the risk of a roof collapse. Officials also stated that the nearby, former-Auburn SportsPlex reportedly collapsed due to the weight of heavy snow.
